Crisis Management Plan Reminder

Did you know that NCA practices three earthquake evacuation drills every year? For the safety of our students, our Crisis Management Plan requires that we close the main gate to all vehicle traffic during earthquake drills and other emergencies. If you come to school during a drill or real-life crisis, you will need to park outside the gate and enter by foot.

¿Sabía que NCA practica tres simulacros de terremoto cada año? Para la seguridad de nuestros estudiantes, nuestro Plan de Emergencia requiere el cierre del portón principal a todo vehículo durante los simulacros y otras emergencias. Si usted llega al colegio durante un simulacro o en una crisis real, necesitará parquear su vehículo afuera y entrar a pie.
